

Freelancer Framework

2021-22

This framework exists to ensure that we are able to provide the best quality service through the engagement of freelancers to undertake specific areas of work. It is essential that our Freelancer engagement processes are fair, consistent and quality assured. This framework aims to:

- Meet the needs of the organisation
- Take account of diversity and inclusion at all stages of the engagement process
- Provide a quality service to Freelancers that is fair, transparent, consistent and equally accessible
- Be consistent across all of the services provided by York Mind
- Adhere to statutory requirements and good practice etc.
- Help promote a good image of York Mind as a service provider.

We will ensure that:

- All York Mind employees who are involved in the engagement of Freelancers are aware of this framework.

Scope:

This framework applies to the engagement of Freelancers across the entire organisation. It is the responsibility of the Chief Executive Officer (CEO) to review this Framework annually or sooner (for example) in the event of changes to legislation, York Mind Policy, Quality Mark requirements or best practice.

Approval to engage a Freelancer:

Approval to engage a Freelancer must be sought from the CEO/SMT.

Defining the Freelancer opportunity:

Managers will consider what is required from the Freelancer and agree the duration of each specific opportunity with the CEO/SMT. A role description is produced for each opportunity and signed off by the CEO/SMT.

Attracting Freelancers:

All of our Freelance Opportunities are selected via this Framework (wherever possible). The Freelancers Framework consists a list of York Mind approved Freelancers who are interested in opportunities that arise at York Mind. All potential Freelancers must complete a Pre-Qualification Questionnaire (PQQs) to be considered for the Framework. The completed PQQ demonstrates the Freelancer's skills, knowledge, experience and provides York Mind with basic assurances. Areas of specialism/expertise should be made explicit on the PQQ.

Once accepted on to the Freelancers Framework, we will check PQQs against role descriptions as opportunities arise. We will identify PQQs which best meet the requirements of the specific role. A formal discussion will then be arranged with the Freelancer (s). Whilst the Framework is our preferred option when seeking to engage a Freelancer membership of

our Framework does not guarantee an offer. The appointing officer has the final decision about which Freelancer is engaged – there is no right of appeal.

The list below shows some of the key features we are looking for when selecting a Freelancer including:

- Subject expertise
- Relevant experience
- Membership of Professional Body/Associated Accreditation or Quality Mark (where appropriate)
- Clear and collaborative approach to the development and maintenance of client relationships
- An understanding of what good client care service looks like
- Agreement to operate under York Mind's standard terms and conditions and relevant professional charters/codes of practice etc.

Notification of membership of the Freelancer Framework

All PQQs will be reviewed within two weeks of the PQQ submission deadline to ensure all criteria has been met. All applicants will be notified whether they have been accepted on the framework at the earliest opportunity. The CEO/SMT has the final decision about membership of the Framework – there is no right of appeal.

Annual renewals:

A PQQ is valid for a 12 month period (September to September) after which new and existing members of the Framework are required to submit a pre-qualification questionnaire. Please note existing Framework members are only required to re-apply where there is a change to the original application, where there is no change members are required to upload their original application. The application process is advertised on the York Mind website (www.yorkmind.org.uk)

The selection process:

All Freelance opportunities are selected via this Framework (wherever possible). A role description will be available for each opportunity and as a minimum this will include: brief details of the Freelance opportunity, location, terms e.g. length of contract. Members of our Framework will be assessed against the role description. A shortlist will be compiled. Where there are no suitable Freelancers on our framework the role will then be advertised on our website *and* successful applicants will have the opportunity to remain on the framework until the end of the current framework period, after which they will need to submit a pre-qualification questionnaire.

Shortlisted Freelancers will be invited to a formal discussion relating to the specific Freelance opportunity.

All Freelancer opportunities are offered for a specific period, details of which will be set out in the Freelancer Service Level Agreement an extension to a specific Service Level Agreement will only be approved in exceptional circumstances.

Notifying the successful Freelancer:

The successful Freelancer will be noticed of the outcome within 3 working days of the last scheduled formal discussion. Provided the Freelancer accepts the position, then the unsuccessful Freelancers will be notified in writing (usually by email). Freelancer roles are offered at the set rates below and are subject to satisfactory clearances/ receipt of all documents as set out in the PQQ.

Freelancer rates:

General freelancers	£20.00 per hour (inclusive)
Counsellors	£26.00 per hour (inclusive)
